

MARCHING BAND

Once again, Peter Ferrito of Teens to Teams, Team Building Education, Inc. will be conducting a Team Building and Leadership Workshop for the students. This program is HIGHLY RECOMMENDED for any student who would like to be a part of the leadership team for the 2012-2013 school year. Those who are interested in a position on the leadership team should plan on attending. The workshop will be held on Wednesday, February 1, from 8:30 a.m. To 5:00 p.m. It is open to middle and high school students. At this time, it will be considered an unexcused absence for middle schoolers. We are in the process, however, of trying to get that changed.

The cost per student is \$25.00 to cover materials. Students should either plan on bringing a lunch or money to cover a meal (approximately \$5.00). Sub sandwiches will be picked up for those students who bring money and place an order ahead of time. We will be taking care of this the week of the event. A headcount is needed ASAP. If your student is planning on attending, please RSVP at your earliest convenience but certainly no later than this Friday, January 13, 2012 to melissamrbb@gmail.com Please send your 25.00 to the band room and place it in the money boxes there. Please mark the checks "leadership workshop."

Additionally, Mr. James has some forms that need to be filled out as soon as possible by each of the students attending. Please have your student see Mr. James by Friday to pick up the form. It needs to be back in his office no later than Tuesday, January 17. If you are interested in either drum major or band president, please make Mr. James aware when picking up the forms as there are additional forms to be filled out for these positions.
